**Importance:** High

Dear Ms. Hayden,

In my law partner Mike Oropallo's absence, in accordance with what I understand to be a cooperative working relationship between the Lansing Rod and Gun Club and EPA, and given the need to abandon the Club's original plan due to extenuating circumstances, we write to respectfully request an extension of all deadlines contained in the Administrative Order on Consent ((Docket No. RCRA-02-2016-7301). This extension will allow the Club to finalize its land use processes with the Town of Lansing and to otherwise implement the reconfiguration of the shooting fields (in accordance with previous communications) and along with the Environmental Stewardship Plan.

Please let me or Mike know if we need to submit a proposed Amendment, or if you would like to further discuss the issue.

Thank you for your consideration and attention.

Regards,
